

# RIA2 - CPNV Dashboard

---

Here is my plan for the next 9 weeks

Week N°	Task
Week 1	Project planning, setup and beginning of analysis
Week 2	Learn Symfony
Week 3	Learn Symfony and writing documentation*
Week 4	Set up Facebook API
Week 5	Set up Twitter API
Week 6	Set up Instagram API and hand in documentation about Symfony.
Week 7	Set up Github API
Week 8	Void time in case of any problems encountered
Week 9	Final documentation and void time in case of any problems encountered.

*\*Documentation will still be worked on until its hand in*
